

Graduate Enrollment by College / School 8-year Trend

Data Definitions

- Enrollment by College / School is determined by student program
- Headcount enrollment is a count of the number of people taking courses as of Official Day of Record (the 10th day of instruction) for the Fall term regardless of how many credits they are taking
- Graduate counts include all students enrolled in any degree-granting graduate program
- Students in Special Graduate Programs are often those who have been accepted to a degree-granting program but who are working to complete
